

# Always Dream

I dedicate this poem to anyone who can or wants to dream!

I have a dream...  
You have a dream...  
And reaching them is harder then it may seem.  
If you have a dream,  
Then stand up tall and never give up,  
Even if you fail or fall.  
It may seem hard but really it's not.  
If you reach for the stars and never stop!  
If you keep going and never quit,  
You will be glad you never did!  
A dream is like a little star.  
And if you reach,  
Then reach far!  
You've seen the sun but have you seen the night sky?  
When you look in the air you will want to fly!  
Dream big, dream bold, dream loud and clear!  
Dream so everyone can hear!

# *Reach for the Stars*

*By Silas*

Reach and dream big.

When you dream big

you can accomplish

anything.

If you quit you won't  
accomplish anything.

So dream big!

# Reach for the Stars

## By Zara

Like the sun beaming bright,  
We all dream big!  
Like the stars reaching high,  
Climb to the tallest mountain top.  
Try hard to get a star,  
So one of your dreams can come  
true,  
Right before your eyes!

# As Long as You Reach

## By Mrs. Devora

(I dedicate this poem to my amazingly talented students. I hope they always keep reaching for the stars.)

Be prepared to try,  
Arms stretched to the sky.  
Aim above it all,  
No dream is too big or too small.  
As long as you reach,  
Just reach for the stars.

I believe in you,  
Yes, it's true.  
When you find your wings,  
You will do great things.  
As long as you reach,  
Just reach for the stars.

Someday, you will find,  
There will be a challenge of some kind.  
You may falter, you may stumble,  
But your dreams will not crumble.  
As long as you reach,  
Just reach for the stars!

# **Be You**

## **By Kaydence**

Reach high,  
Reach low.  
Reach to the left,  
Reach to the right.

Be brave,  
Be honest.  
Be happy,  
Be you.

Reach for the stars!

Dreams

By Rex

Dreams are only wishes.

Wishes that have power.

You power them.

Your dreams are yours.

You are the maker.

So make dreams.

*Dream On!*

Reach for the stars...

The sky's the limit.

You can go far...

You can be in it.

Do all you can...

Be what you want to be.

Your imagination takes you...

Wherever you dream.

Dream BIG!

Dream bold!

You can dream too.

Dream as big as you can.

Believe in yourself!

Believe in your dreams!

Just believe!

Believe...

You are amazing...

You are a one-of-a-kind.

You are a winner...

You just need a positive mind!

# Reaching for the Stars

~By Brendon

Reaching for the stars  
Makes a happy and perfect way  
To a good place today.

The stars are like your dreams.  
Your dreams can be anything you  
want.

The stars can be soft, hard, small  
or big.

You are you and you can stay you.  
So do what your dreams tell you.

Reach for the stars,  
You're you.  
Be you.  
Hope  
Love,  
One  
Idea.  
Reach,  
With  
Heart  
Courage.

Because  
Always  
Imaging  
Is close.  
Love,  
Little  
Things  
Reach,  
Strong  
And with  
You, be you

Reach for the stars  
By Karina

Their shine is brighter than they seem.  
The sun is a medium star and others are bigger than you see.  
That can be your destiny.

You wish you could touch one but they are too hot and that  
you will touch a star in your dream.  
The moon shines bright and the stars shine brighter.  
You can make a star for love.  
The stars shine from up above.

The sky can be your limit.  
The more you try you'll win it.  
They are your talents that you can pretend are stars and reach  
for them by far.

The star you reach for can be creamy, even six pointed, silky,  
mellow, soft and much more also in a lullaby.  
You can't wait for your time to shine.

REACH FOR THE STARS

AND YOU WILL FINALLY GET ONE.

YOU'VE JUST GOTTA BELIEVE IN YOURSELF!

YOU WILL DO IT.

JUST SEE WHERE IT TAKES YOU.

IF YOU TRY YOU WILL DO IT.

MAKE YOUR MARK ON THE WORLD TODAY!!

# Stars Are Amazing Things

By Rachel

Stars are amazing things.

If you can't reach them at first,

Try hard.

You can reach them just by being you.

If you make your mark on the world,

You won't be sorry.

Don't let other people make you give up on  
your dream.

You're you.

Keep your dreams close and reach to your heart  
and mind.

You can do it.

You are beautiful!

# Dream Big

By Joseph

I want...

I want to make my dreams come true.

I want...

I want to see the stars.

Someday...

Someday I might see the moon.

Someday...

Someday, I will look up to the future.

Someday...

Someday, I will know science.
